

EZReader Asteroids Application

Introduction:

If an alien ship crashes into your defensive position, you lose!

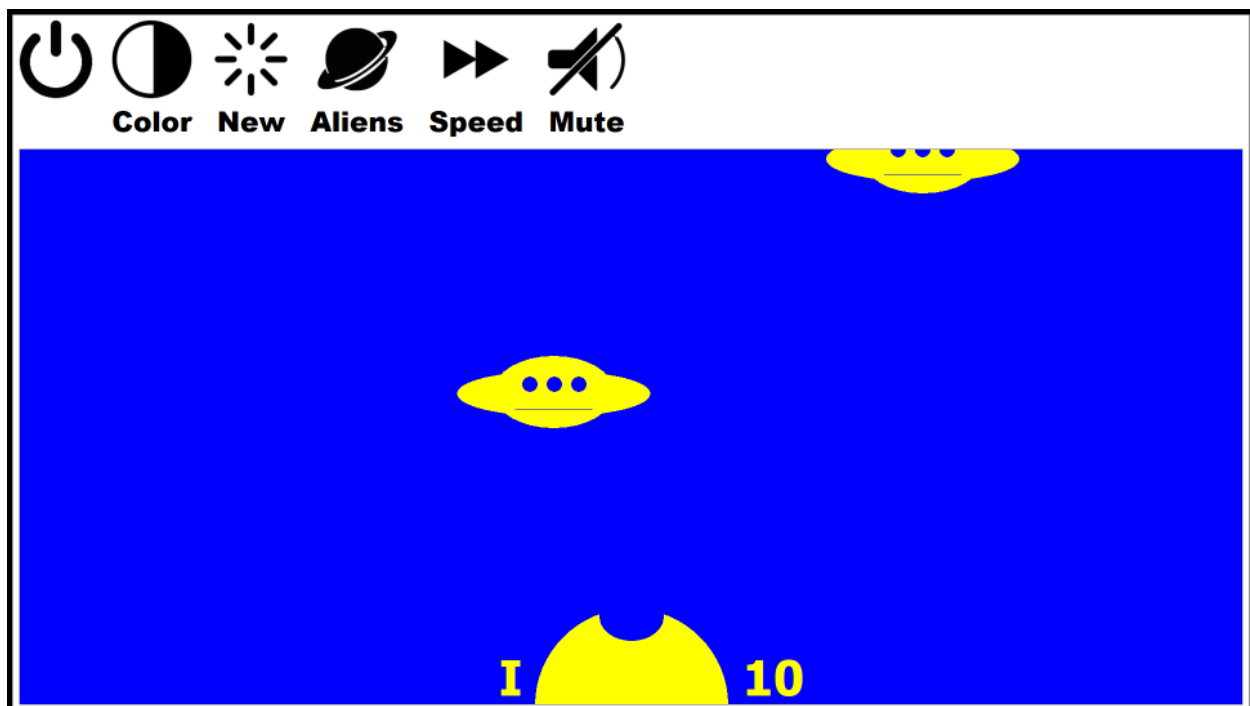

The number of aliens and their ship speed can be set to make the game more difficult.

The arrow keys are used to aim the cannon and the space bar will fire missiles at the aliens.

The mouse wheel can also be used to aim and a left-mouse click used to fire missiles.

Speed and number of aliens can be set by the user.

There is no time limit.
