

## EZReader Export Files Application

Export Files allows copying files from EZReader folders to any attached flash drive.

Selecting a folder from the Toolbar displays a list of the files in the folder.

### Toolbar Commands:

File Exporter has 2 rows of command icons:

**Reader:** Display files in all Book Reader folders

**Editor:** Display files in all Editor folders

**Grid:** Display files in all Grid folders

**JukeBox:** Display files in all JukeBox folders

**Gallery:** Display files in all Gallery folders

**Archive:** Display files in the Archive folder

**Next:** Set target as next available flash drive

**Clear:** Clear all checked line items

**Select:** Check the current line item

**Copy:** Copy selected text to clipboard. All text if none selected

**Larger:** Increase font size

**Smaller:** Decrease font size

**Bold:** Toggle text bold attribute

**Font:** Cycle through 3 available fonts

**Color:** Cycle through 4 available color pairs
