

## **EZReader Screen Savers**

EZReader supports 4 screen savers – Matrix, Dark, Personal A and Personal B.

### **Matrix Screen Saver:**

This “matrix waterfall” graphic is always shown.

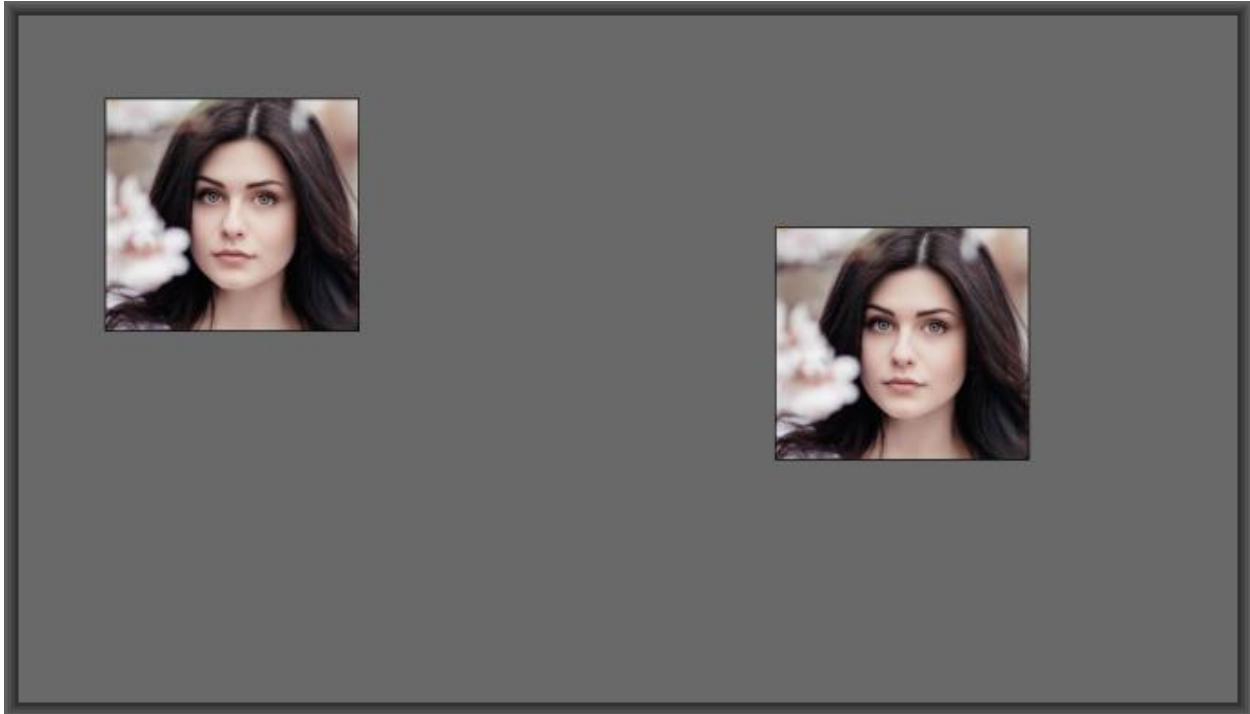

### **Dark Screen Saver:**

As the name implies, this is a completely dark screen saver:

**Personal Screen Savers A and B:**

The user may specify 2 images to be used in 2 separate screen savers (A and B).

The user can adjust the way the personal screen looks or operates:

- Image Size
- BackGround Color
- Number of Images
- Trail Size

### **Keyboard Shortcuts**

Keyboard shortcuts are available within all EZReader applications by pressing F1 or right-clicking on the Exit button. The following keyboard shortcuts are supported by the Personal screen savers.

- S - Image size

- Y - Background color
- C - Number of images
- T - Toggle Trail ON/OFF
- P - Print
