

EZReader Snarl Application

The game Snarl provides dots connected by lines. The goal is to drag the dots until no lines overlap.

Toolbar Commands:

Snarl has a single row of command icons:

Easy: Start a new game. Easy difficulty.

Med: Start a new game. Medium difficulty.

Hard: Start a new game. Hard difficulty.

Infinity: Start a new game. Very hard difficulty.

Size: Change size of dots.

Width: Change width of lines

Color: Text/background color
